DELLTechnologies

Make work your quiet place

Dell Silent Keyboard and Mouse | **KM555**

Unlock productivity without the distractions of noisy typing and clicking with Dell's most silent keyboard and mouse combo.* Engineered for the modern workplace, our solution prioritizes efficiency and functionality, allowing quiet workers to focus and excel without disruption.

Silent and compact

Experience silent operation with our compact keyboard and mouse combo, meticulously crafted for distraction-free workspaces. Embrace the hushed keystrokes and clicks, fostering focused work without compromising on comfort.

Enhanced productivity

Boost your productivity with customizable keyboard shortcuts and programmable mouse button. Enjoy seamless and secure dual-mode connectivity for versatile usage. Plus, effortlessly access Copilot in Windows, with the built-in Copilot[1] key.

Sustainable performance

Relish up to 36 months of battery life for both keyboard and mouse, backed by our 3-year advance exchange service. Rest assured, our keyboard and mouse are sustainably made with up to 64% post-consumer recycled plastic[2], reducing their environmental impact.

Dell's most silent keyboard and mouse combo*
